SWEET VALLEY UNIVERSITY

Written by Francine Pascal

General Review for series as I cannot remember each novel.

I read Sweet Valley University when I was in junior high school to high school. While there is sexual content it is very mild (not explicit) compared to teen books today. If you like the Sweet Valley High you will love this series as it continues with the twins' story as they attend University and are away from their parents. I am not sure how they would relate to teens today as this was before cell phones were common and social media. They are fun teen romances with "real-life" situation. I did not complete the series as I started to save for school so I wasn't able to collect them any further (they are out of print). I still have the books I bought and may try to read one again (I did reread the series a few times).

I remember the cover just not the story.

"She gripped the bars of her cell. "I am not guilty!" She shook the bars, making them rattle. "I am innocent! Jessica Wakefield is innocent!""

Bahaha!
