**Amish Country Ambush** Dana R. Lynn  
Hidden in Plain Sight

An Amish Country Justice story

After police dispatcher Elise St. Clair's home is invaded by her murderous brother-in-law, her nephew is hidden in Amish Country by her cleaning lady. Now relying on police officer Ryan Parker is Elise's only hope of reuniting with the child...and evading the killer. And Elise and Ryan quickly discover their temporary partnership has long-term potential—if they can stay alive.

# From Reader Review Amish Country Ambush for online ebook

## Renee Green says

The fourth book in the Amish Country Justice series, Amish Country Ambush is no disappointment! From the very beginning pages, you are pulled into the heart and feelings of Elise St. Clair, as her very worst fear as a 911 dispatcher are realized. The call she takes is from her own home! Prepare to not be able to put the book down until you know the outcome! You will come to love Elise, her 3 year old nephew, Mikey, her teenage Amish housekeeper, Leah, and the handsome policeman, Ryan, who is determined to keep Elise and her loved ones safe. Will he succeed, and if he does, can he do it while guarding his own heart? Can Elise resist the attraction she feels for him? You won't want to miss this suspense filled book by Dana R. Lynn.

---

## Elizabeth Lopez says

Dana Lynn keeps proving how comfortable she is in creating characters and stories that encompass the Amish culture even when they may not themselves be part of it. With gripping suspense that will keep you up until you finish the book, Mark any book by Ms. Lynn for your keeper/re-read shelf. A stand alone novel with subordinate characters that make you itch to read the next in the series. I received a free copy of the book. The opinions are my own.

---

## Leslie M. says

911 worker Elise experiences every dispatcher's worse nightmare: the call pertains to an incident at her house. A home invasion occurred, and now her nephew is missing. Elise is confident that her former brother-in-law is responsible, but the police believe he's dead. Can she convince Sgt. Ryan Parker that she's telling the truth and that her life, and her nephew's, is now in danger?

This is the fourth installment in Lynn's "Amish Country Justice" series. It's a quick read and grabs the reader from the first chapter. Vivid descriptions and an active pace have the reader turning the pages, even though they know early on who the bad guy is that Elise and Ryan are trying to track down. It's nice to see familiar characters again. Elise is a strong heroine, and her love for her nephew, and her willingness to do whatever it takes to find him, is heartwarming. The epilogue is a nice completion for this quick read.

*Disclaimer: I received a complimentary copy, but I wasn't required to leave a positive review.*

## Jess Lawson says

Amish Country Ambush is the fourth book in the Amish Country Justice series by Dana R. Lynn. I adored this book. It was a page turner from page one. Amish Country Ambush was a slight surprise to me from the rest of the series. This is not what I had remotely expected but still yet it was Amazing. It didn't really hold the surprise factor of trying to figure out who the villain Ryan and Elise are up against pretty early on. I love

the feel of the constant Amish setting in which this book takes place.

---

### **Melissa says**

Wow! This book opened with a bang and kept up that pace throughout! This book was a perfect mix of characters, excitement, suspense, twists and turns, and a great mystery! Safe to say this is my FAVORITE Dana R. Lynn book! I couldn't put it down...except when life made me :) If you enjoy great Love Inspired Suspense books put this one at the TOP of your to-read list! Looking forward to the next book in this set :)

### **Annette Detente says**

I literally could not put this book down. It only took me 6 hours to read. The plot of the characters were so thrilling and exciting. My mind was blowing up with such detailed descriptions and my heart was pumping as I turned each page. Dana R. Lynn has really given each character life and has continued to tell a compelling story with each book she writes.

---

### **Marilyn says**

Dana R. Lynn created a heart pounding and gripping action packed story in Amish Country Ambush that kept the pages turning quickly. A 911 call while Elsie St. Clair is on duty turns her world upset down when she realized the call was about her own home. Lamar Pond Police Office Ryan Parker and others are in the midst of trying to capture the offender but there are multiple attempts on their lives. All Elsie wants is to be reunited with her three year old nephew who was missing along with her housekeeper Leah, who is Amish. There are multiple twists and turns with multiple individuals involved in trying to capture or destroy Elsie than she suspected as the offender. This story has it all with the suspense, action, romance, and a nice faith message. I appreciate Dana R. Lynn's research that involves how criminals think and actions of investigators that shine through in this book, along with the others in her Amish Country Justice series. I look forward to reading the next book Lynn releases.

I received a complimentary copy of this book from the author, without being required to write a positive review. I have expressed my sincere thoughts for this amazing Love Inspired Suspense story.

---

### **Virginia Winfield says**

This is a great story of suspense and romance. There were a lot of twists and turns throughout. Elise and Ryan have to work together to find Elise's nephew before a very bad guy finds him. It is so well done on how they learn about each other while trying to evade capture themselves. I hope there will be many more books in this series. I received a copy of this book from the author for a fair and honest opinion that I gave of my own free will.

---

## **Gina says**

An amazingly written story of suspense taking place in beautiful Amish Country. This story was a real page turner with surprises around every corner. Engaging characters and storyline. I received a complimentary copy and I am voluntarily reviewing.

---

## **Tammie Gunter says**

I read this in 2 hours. Dana is awesome as a Amish Mystery writer. I could not put this book down. i have read every one by her. They are great Amish stories. She is one of my favorite Amish Authors.

---

## **Susan says**

errific book that grabbed my attention from the first page and didn't let go until I'd finished it. Elise is a 911 dispatcher whose worst nightmare comes true. She's at work when a call comes in, describing a home invasion and attack - and it's her house. By the time she gets home, her babysitter is dead and her nephew and the cleaning lady have disappeared, and her brother-in-law is waiting for her. My heart was pounding as he attacked Elise, screaming about something she has and wanting his son. My relief was intense when he was chased off by the sound of approaching sirens. This was just the beginning of a roller coaster ride of action and emotion.

Ryan was the first officer on the scene. I liked his calm intensity as he took care of Elise and started the search for Mikey and Leah. That sense of calm was exactly what Elise needed later when he came to question her at the hospital. In spite of everything she'd been through, Elisa quickly came to trust Ryan and believe in his desire to help her.

I liked both Ryan and Elise. Ryan is a truly nice guy who is a cop because that's what he really wants to do. He isn't Supercop, with perfect instincts, but he is smart enough to know when he needs help. He has a deep love for his family, even though there is some tension with his father. Those tensions create occasional bouts of self-doubt, but those don't last long. Elise is an amazingly strong woman. She and her sister made it through a difficult childhood by supporting and watching out for each other. It was Elise who gave her sister the courage to get out of her abusive marriage. I ached for Elise's pain over her sister's murder, and loved the way that her nephew Mikey became her focus. Elise also has some self-worth issues thanks to a jerk of an ex-fiancé.

I loved the development of the relationship between Ryan and Elise. It began with Ryan's natural protectiveness, which quickly became personal. He was surprised at how she moved into his heart and mind. I loved how well he understood her and her need to stay involved in the search for Mikey. Elise was equally drawn to Ryan. For her, just being able to trust him was a huge deal. I loved seeing them open up to each other about their fears and vulnerabilities, and how sharing those things made them stronger. It was sweet to see Ryan start to think about a future with Elise and Mikey in it. I ached for Elise as she let her fears push Ryan away, believing that it was for his own good, and for Ryan as he tried to figure out what was wrong. A pep talk from an unexpected source gave him the courage to go after what he wanted. I loved seeing him

confront Elise and her stunned reaction at what he told her. The epilogue was sweet and romantic with Ryan's big moment. I also loved his conversation with his father.

The suspense of the story was outstanding and had me glued to the pages from start to finish. The fear for the safety of Leah and Mikey was palpable and always at the forefront of every step that Ryan and Elise took. There were also several twists and turns that kept them on their toes. The final confrontation was heart pounding as I wondered how it was all going to end. Now I can't wait for the next book!

I also enjoyed catching up a little bit with characters from previous books. I especially liked seeing Miles and Rebecca and the important part they played.

---

### **Elaine Leonard says**

I really enjoyed this story and the characters. The story kept me on the edge of my seat during the whole book.

---

### **Darlene L. says**

911 operator Elise St. Clair receives a distress call that rocks her world. The person on the other end of the line is calling from Elise's house. She rushes home to find her babysitter dead on the floor and her nephew and cleaning lady missing. Her supposed dead brother-in-law is lurking about and confronts her. The police arrive in time and he leaves, promising her he'll return for his son and what she stole from him. She'd pay for what she cost him.

LaMar Pond police sergeant Ryan Parker arrives at the house of their head dispatcher bent on saving her life. What he discovers is a game of cat and mouse when she's targeted by more than one madman.

Elise and Ryan must search for her nephew and cleaning lady among the Amish community while numerous attempts are made on Elise's life. Can they beat the clock and ignore their growing feelings for each other?

Amish Country Ambush is an exciting addition to the Amish Country Justice series by Dana R. Lynn. Its heart-pounding action will keep the reader turning the pages while cheering the hero and heroine on. I enjoyed it from start to finish. The plot keeps you glued.

The characters draw the reader in quickly and are well-rounded. Elise's deep feelings for her nephew will grip your heart while Ryan's need to keep everyone safe will keep you engaged.

It's apparent the author has done her research on the Amish Community as you can picture everything and the area she writes about. I loved the deep emotion, faith aspect, and action in this amazing book.

I give Amish Country Ambush five stars. It's one riveting tale you'll want to devour!

## **Debora Wilder says**

This is an incredible adrenaline rush, romantic suspense novel!

I love the main characters in this book. They are very well developed and it was easy for me to understand where they were coming from. Both Elise and Ryan have problems from their pasts that they have to deal with on a regular basis. That is what defines them and their commitment to following through in taking care of others. They are thrust together by circumstances and they learn to trust each other as they reveal their pasts.

The plot of the story is great. It has many twists and turns that kept me guessing. It was fascinating to see who all was involved in the attack at Elise's house. It was interesting to see what the motivation was for the bad guys.

I received a complimentary copy of this book from the author. I have chosen to write this review to express my personal opinion.

## **Linda Rainey says**

Suspense grabs you and pulls you through this book.

We watch with gnashed teeth as Ryan, Elise and the LaMar Pond police department as they race to find the unknown assailants that killed the babysitter and caused Leah and little Mikey to run for their lives.

I loved this well crafted story and intriguing mix of characters against the back drop of Amish country.

This book is recommended for those who like Christian romantic suspense.

I received an Advance Review Copy from the author. My opinions are 100% my own.
