## Captive Mail Kate Pearce

When Harlan is captured by a band of females, he has no idea what's in store. Treated as a sexual plaything and forced to erotically service all the women, he begins to understand what it feels like to be wanted only for his ability to breed. Then he meets Princess Inga, and realizes she's the woman who has haunted his sexual dreams.

As the passion between them explodes, Harlan knows he has an impossible task. How can he convince a tribe of man haters that not all males are evil? Harder still is the task of proving his heartfelt love to the princess.

## Tanya Urban Fantasy Freak says

The heroine in this book is a complete Beyotch. I mean she's easily the worst of any book I've ever read. To be forewarned is to be forearmed.....

## Kat Desi says

There were too many vaginas in this book and with only one penis for all of them. Nope nope nope! I just don't roll that way.

## Katie says

I felt like this one was a bit more rushed than the first two.

**Manas domas par grāmatu:** Pirmā, kas man likās dīvaini – galvenajai varonei ir iedots mans vārds, un lasot grāmatu likās pavisam dīvaini lasīt to tīk dīvī šīs vienas detaļas.

Es atceros, ka man patika pirmā grāmata un tās sižets, arī otrai grāmatai nebija ne vainas, bet par šo – trešo – grāmatu nevaru teikt to pašu. Tas, kas galvenajam varonim likās normāli, man šķita vārietim pazemojoši.

Stāstam nebija nekāda satura, kas piesaistītu pie grāmatas un ļautu izdzīvot to, lai nesāktu domāt vai nelikt grāmatu pie malas. Man patīk stipras, patstāvīgas sievietes, bet šeit šīs pašbas bija parādītas no tās sliktākās puses. Likās autore pati nespēja sadzīvot ar to, ko uzraksta – te pāķšī vārieši ir ļauni, nākamajā brīdī labi.

Visvairāk absurdu man izraisīja, kā nobeidzās grāmata. Lieki vēl kaut ko piebilst.

## **Michele Powers says**

My only quibble with this story was that it needed to be longer. When Inga blurts out that she loves Harlan at the end, I was disappointed. That's it? She had been so despicable to sweet Harlan at the beginning I needed more groveling from her. How about -I love you Harlan, I'm sorry I ordered you to be whipped and I treated you like an animal. You're an honorable man and I'm lucky to have you. That would have been satisfying!
