Cathy says

Probably the best book for commuting to work, because it's pretty short and you need to savor it. Laugh-out-loud funny and pretty absurd, but so was life during the Soviet Union at times so there you go

Arkadi says

Not a great literature by any measure, but makes you laugh (sometimes hysterically :)). At least when you read in Russian and you are familiar with the environment.

Voskoboynikov:

- Non veniamo forse tutti dal gruppo letterario di Viktor Bakinskij?
- Beh, noi, ad esempio, veniamo dal "Cappotto" di Gogol'.

Brodskij su un libro di Ivan Efremov: "ma con che coraggio è passato dal secondo al terzo capoverso?"

In compagnia di emigrati ci siamo messi a parlare dei nostri figli. Qualcuno ha detto:

- I nostri figli stanno diventando americani. Non leggono in russo, è terribile. Non leggono Dostoevskij. Ma come potranno vivere senza Dostoevskij?

Al che, in pittore Bach?ajan ha fatto presente:

- Beh, Puškin non l'aveva letto e se l'è cavata."
