mike andrews says

Harley and Joker face off and she may have had enough of him.

Solrac says

Harley Quinn vs The Joker... No hay nada más que decir. Una pelea sublime, donde Harley decide dar un paso adelante y dejar al payaso. Muy buen número de Suicide Squad que se integra perfectamente en Death of the Family.

Vikas says

Harley and Joker what a pair of lovers. Joker is torturing Harley and things go ahead and ahead till she goes back but Joker what secrets does he share.

Alicia Balliett says

Glad to see Harley get away from the Joker. VERY GLAD!
Not too happy to see Deadshot coming back. I really wish I liked him more.
I wish they showed Harley getting out of the chains.

Larissa Kraski says

Tanya Hohn says

HARLEY FOREVER

Alex ? Deranged KittyCat ? says

"I always believed Harley couldn't live without the Joker, but the truth is, it is he who cannot

live without her. In his own strange way, he actually loves Harley and wants her approval."

"Then why is he about to kill her?"

"Because he's lost her, and he knows it. But he has hope."

One simply has to love a twisted, f**ked up love story! What's more appealing than love&hate mixed in with ~~some~~ violence?
