From Reader Review The Sapphire Princess Helps a Mermaid for online ebook

Dawnetta says

If your child can read at this level it would be a good book. A fun beginning fantasy series. The plot lines are simple and easily solved with not too much of the dark side of fantasy.

Reagan says

The Sapphire princess has a mermaid at her castle and she asks the Sapphire princess to keep her secret of not telling everybody about her.

But does she keep the secret? Well no she doesn't.
