## Cascade Brides Bonnie Blythe

The Three Sisters Mountains are part of the Cascade Mountain Range near the town of Sisters, Oregon. The peaks were named Faith, Hope, and Charity by early settlers. In the Cascade Brides series, three estranged siblings named for the mountains, each in the far-flung reaches of the state, are drawn back to their childhood home in Sisters by men who ultimately help the siblings realize the blessings of family bonds. Christian romance.

This set contain the three books in the series that have been previously published separately:

Rock and A Hard Place

Bayward Heart

Project Love

**Donna Rogers says**

**I liked it!**

Not something I usually read but took a chance and it paid off, I really enjoyed the books, going to try more out..

---

**Patrick Heesacker says**

**Very good book**

I started reading this series because of the location but then I couldn't seem to stop reading it . God's grace and love shines through in all three of these books worth reading more then once

---

**Linda Rainey says**

This was such a romantic story.

Faith, a photographer meets Shane her employer's nephew.

Shane has an attraction for Faith but her insecurities keeps her from noticing.

I love the storyline, the characters and the awesome setting of Oregon.

I was impressed with The Three Sisters, the photograph, Faith did of her and her sisters, Hope and Charity.

I eagerly look forward to the next two books.
