## Drackon Mates - The Complete Series Maia Starr

*Introducing the FULL and COMPLETE BOX SET of the HOT Sci Fi Alien Weredragon Romance series Drackon Mates!*

*The Drackon alien warriors have it all. They are strong and fierce with the ability to shift into dragon form. But when they encounter the strong and intelligent women of Earth, they must have them. They must mate with them. Through a registry program it is possible, but nothing ever goes at it should. How can any woman resist their silver hard scales, silver wings, and the firm muscular physiques of such tall intense warriors? Follow the journeys of strong heroines as they journey through the Drackon worlds and experience the wildest passions a dragon shifter has to offer in this fantasy hot series!*

### ***Jarith (Drackon Mates #1)***

***What's hotter than an alpha alien warrior? An alpha alien dragon shifter, with a body to die for...***

As a Drackon Prince set to inherit the throne, Prince Jarith Rykor is a dragon shifter reluctant to take on the responsibility of being king. He only wants to fly and indulge in debauchery. ***But when his father makes him take an assignment that takes him to Earth, Jarith has to do his duty and visit the Gladonetics Corporation, even though he despises the humans of Earth.***

It all changes when he meets the CEO of Gladonetics, human female Marissa Volander with a desirable pheromone scent that drives him crazy. ***But Marissa is a femme fatal and has no interest in being anyone's mate, until she is forced to go on a mission with the prince back to his home planet.***

Jarith wants her, but he realizes that his father sent him to fetch Marissa for his own needs. ***Marissa can't be his because she belongs to his father, the king.***

But when there's a mutiny in Jarith's family, he has to protect her from danger that will forever change her life. Many think Jarith should not be the rightful king and want to take Marissa from him. Can he gather enough forces to fight the battle to end all battles? ***Or will he fail and expose Marissa to a prison she can never escape from while losing the right to his throne?***

### ***Terik (Drackon Mates #2)***

***Terik found his match, but she belongs to his enemy. But it's never too late...***

Dr. Adriana Adams is a geologist with a chance to study a rock from an alien world. But the only way to get to the alien world is to register as a bride to a Drackon weredragon. She finds a registration match in Captain Mordikye Nezis and follows him to Sala, but she was not expecting to fall for another weredragon, Land Sentinel Terik Vuna in the process. His long dark hair, rugged looks, muscular form and a passion for land have her torn between two desires - ***her career aspirations and her heart.***

Land Sentinel Terik Vuna has never found a human female match, but when he sees a photo of Dr. Adriana

Adams he knows that she is the one for him. He jumps at the chance to make his first match in her. But it's too late she's already matched. Now, he must concentrate on arresting the illegal cargo carrier Captain Mordikye, his enemy. But when he captures the captain he's surprised to see that the dark haired human female Adriana is with him. ***Terik knows that Adriana should rightfully be his, but can she be trusted?***

When Mordikye breaks out of prison and takes Adriana with him, Terik will do whatever it takes to get her back. ***Even if it means killing his enemy who holds information that can stop illegal trade once and for all...***

### ***Drin (Drackon Mates #3)***

***Drin couldn't have her, because of the promise he made. Now they might die...***

Dr. Felicity Maltra is on board a research vessel that answers a distress call from a Drackonian ship. The wounded Drackon weredragons on board need her care, but their reason for being in a disabled ship seems suspicious. She doesn't buy into Captain Drin Ky-Vesa's lies, especially because he is constantly arguing with his younger brother about something that seems to do with her. ***But although she must do her duty as a doctor, it does not require her to fall so damn hard for this attractive powerful Drackon Captain, but she can't help herself.***

Captain Drin Ky-Vesa has had no interest in mating with a human female, especially after the promise he made to his father on his deathbed. But now there is a threat from a radical faction known as the purist who seek to stop the Drackon from mating with human females at all costs, even death. As an alien and human weredragon hybrid, Drin feels more conflicted than ever, but his conflict is escalated when he is drawn to the human female doctor that treats his wounds. ***Now he must protect her even though it goes against everything he's ever been loyal to.***

***When the threat of the purist reaches earth, the catastrophic devastation forces war upon the Drackon, the earthlings, and the purist and Felicity and Drin are right in the middle of it, but will they survive?***

### ***Eniv (Drackon Mates #4)***

***Eniv must find his fiancé, with a sexy detective. Now he might lose them both...***

Detective Melinda Katima has finally received the promotion of a lifetime to the Intergalactic Special Forces Agency. But her first case forces her to partner with a Drackonian alien weredragon in the search to find his missing bride to be. She is furious that she has to partner with such an arrogant rogue, but even more so that her body is betraying her every time he is near. ***He is already promised to another, and not just anyone, he is promised to the very woman they have been assigned to rescue.***

Commander Eniv Handor is an intelligent agent in the Drackonian battalion. His father has matched him with a diplomat's daughter from Earth, it is important for his career. But when he shows up to fetch his bride he finds that she has gone missing, along with five other brides. He discovers that brides have gone missing before and the whole thing reeks of a cover-up. Now he is on a mission in space to find the diplomat's daughter, but he's not alone. He is with a feisty Latina detective that is unlike any female he has ever known, and her scent drives him wild. ***How can he fight giving into his temptations when she is so near, and his guilt of betraying his fiancé is so strong?***

*When they crack the case and find themselves in the heart of an outlaw planet, the threat of battle looms near, and Eniv and Melinda must solve the case, rescue the missing women, and keep their feelings from destroying it all.*

### ***Kuvo (Drackon Mates #5)***

*Andrene put everything at risk, including him. Now, she will lose him forever...*

Ambassador Representative Andrene Novan is tired of her oppressive and powerful father, so she devises a plan to leave his grasps forever. But her plans are complicated when her father assigns a gorgeous Drackon warrior to be her security detail. Now her plans are put into jeopardy when she allows her desires to get the best of her. Why did it have to be him to guard her? *Now she has too much to lose in order to gain her freedom.*

Special Ops Squadron Leader Kuvo Bane is running away from his past on Mooreah, and goes into the private sector of security detail. He figures guarding a human on Earth would be easier than what he has seen on the Drackonian battlefields. With his shifting abilities into a weredragon, he can guard the best of the best, but he's not expecting his assignment to look like her. Now he must test his restraint in mixing business with pleasure. *But he realises exactly what he would risk for her, when he fails her.*

*When an outlaw Drackonian villain captures them, Kuvo Bane must save them all, but he doesn't realise that it has all been a trap, a betrayal.*

### ***Kasian (Drackon Mates #6)***

*Kelly fell hard and fast for weredragon Kasian. Now, her past will destroy it...*

Kelly Perkins is finally doing it! After having doubt about registering as a bride to a Drackon warrior from the alien weredragon race on Mooreah, she's finally putting her heart out there. But she never thought that one last fling, as a single woman would jeopardise the relationship with her new husband. It was her personal bachelorette party, what could go wrong? *But when she falls hard, fast, and instantly for Commander Kasian Jade, she finds out just how detrimental her one night stand was to her future happiness.*

Commander Kasian Jade is on Earth to oversee a massive engineering project and decides to take a human female as a bride to offset the loneliness of being out in the wilderness. But Kelly Perkins is unlike any female he has ever met, and her scent lets him know they are a match. It's so easy for them to slip straight into a passionate romance in a matter of hours. But he has no idea that she has a secret, a secret that will make him feel so much rage that he doesn't think he can ever be with her again. *Until he realises that she was the pawn of a sibling rivalry feud with his brother that goes deep into his past.*

*When his brother Orik steals power receptors from the engineering project, Kasian must hunt his brother, but now it's a matter of vengeance for what he did to Kelly.*

### **Dawn Carey says**

#### **Drackon Mates**

This series will definitely get your attention, the Drackon Mates is a fantastic bit of storytelling by Maia Starr. If you haven't already tried this author then you are really missing a great read. I hope that she keeps writing about the Drackon Mates!!!

#### **I thought it was draken**

The stories were fine but I felt like some Draken books were missing. It has Corrillian stories as well. The stories themselves are fine but this is not like some series that finish a whole story. They all feel like stand alone stories in different order.

### **Raina Collins says**

This is a great series. If you like sci-fi romance then read this. I guarantee you will love it and the author.

The series focuses on Earth making contact with an alien race of dragon shifters. They have a lack of females and are able to have children with human women. So a sort of match making is setup for Earth women who want an alien husband and are willing to go to their planet. But things are never that easy. There is always resistance to change from both sides. But when these alien men meet the women they are meant for sparks rise and some hot scenes are abound.

I love the series and only wish there was no end to them.

I voluntarily read and reviewed a copy of the book.

### **Diann says**

I loved all of these stories when I read them individually, but they seem even better now that they are all together in this wonderful bundle. This is a fantastic world full of awesome alien characters.

I would highly recommend it to everyone, you will love it.

I voluntarily read an advance review copy of this bundle.

### **SJ says**

I received a free advanced reader copy of this box set and voluntarily decided to review it

This is an amazing collection of Maia Starr's Drackon Mates books. It is fantastic set, every book five star

I highly recommend this box set of books as a must read, great value to have them in a set

#### **It was ok**

While the stories were ok, it seemed like some whose first language isn't English was writing it. There were some sections that I had to reread several times to get the meaning of the passage to make sense. The timeline of the stories from jumped back and forth, it would have been easier to read them in a chronological order.

### **Philleys Peters says**

It's always a fantastic opportunity to grab on to, with a multi collection of sci-fi romances. And I am not one not to latch on to this heavenly bargain! Well written, lots of sweet romance, and more than one hot sexy alien shifter to excite and delight! Go get your own copy and enjoy it for the pleasure it is!

### **Tasha says**

This one had hit and miss stories in it. Some of the stories were good some of them were not. I don't remember which one's were which so you will just need to read it. I liked the idea of the Drakon's being mated to human women and finding out that not all humans are weak especially women. The were in for quite a surprise when the women didn't just go with whatever they said. However, some of the stories looked like the women were stealing information for the wrong reasons and I didn't like that at all. Though I'm sure it occurs.

#### **Wow!!**

What great book and series! I just absolutely loved it!! I can't wait to read more from Maria Starr!! A definite must read!! Happy Reading!!!! :)

### **Merry Jelks-Emmanuel says**

If you are into Sci Fi romance you will love this series. The story line is simplistic with diverse characters. The dragons are looking for women who are willing to come to their planet and Earth has set up a kind of match making for women who are willing to take on husbands from their planet both planets are resistant to change and the stories play up to the situations they face excellent stories.

### **Laura Compton says**

#### **Great series**

I loved this series, I hope it will continue on. With the King meeting his mate next and more Drackon warriors.

---

### **Mare says**

Ok so I bought the whole series without reading book #1 because it was 99 cents & I love dragons. I've made it through book #1 and am disappointed it's all in passive voice. Very mind numbing and blah. The premise seems ok but it's hard to keep reading.

---

### **Linda Levine says**

This is a great choice for those who enjoy sci-fi romances. You get all six books in the series for this low price. The stories feature the Drackon warriors finding their mates in dangerous situations. Their mates are human women who were not necessarily looking for a relationship but find themselves very attracted to the men. The chemistry is hard to resist and many don't resist for long. I liked the mix of action and romance which keep the stories fast-paced.

I am voluntarily reviewing a copy I received.

### **Myra Wray says**

Once again I have found a good book in this story. I found it hard to put it down until the end.

---

### **Eliza Olsen says**

## **awesome series !**

WoW lots of sexy aliens and the women who love them ! This is a fantastic series of sexy blue skinned aliens who abduct women to become their lifetime mates .
