Follow the Wind

Don Coldsmith

Follow the Wind Don Coldsmith

Don Pedro Garcia was impatient; there were only so many forced marches the horses could endure. He was an old man now, and he wanted to see his son who, rumor had it, was alive among the Indians of the Great Plains. Don Pedro's lieutenant, Ramon Cabeza, was also troubled, for no matter how fast the search party traveled the Indians always seemed to know their movements days in advance. What neither man could know was that Don Pedro's son was alive, now a chief among the Elk-dog band--and that the feared Head Splitters were preparing to make war upon the intruders who had violated their lands.

Set in the New World of the early 16th century, Don Coldsmith's acclaimed novels re-create a time, a place, and a people that have been nearly lost to history. In The Spanish Bit Saga we see history in the making through the eyes of those proud Native Americans who lived it. With 6 million copies of his critically acclaimed books in print, Don Coldsmith is one of America's premier novelists of the North American Frontier.

Partridge Public says

Coldsmith, Don

Timothy Boyd says

Very good "Western" story. It's actually not like your normal American Western tale. Lots of nicely developed characters and a nice continuing storyline. Recommended

TOTO from Kansas says

Each book get better!

Sue says

This was an exciting mix of Spaniard lore with the Spanish Trail indian story. I wanted to skip to the end so bad, but then I checked back . . . I would be missing so much. Need to read faster!

Really nice.

sarg says

Follow the Wind Don Coldsmith Spanish bit series book 3

Juan Garcia (Heads off's) father in Spain Don Pedro Garcia initializes a troop to go to the New Spain (Amarica) to search for his son. This is a continuation of the "Spanish bit" series. Gave this 4 stars
Interesting stories. Most books are 200 pages or less so they are good quick reads.

J says

Continuation of a good series.
