Simona Fregni says

very well written . I don't like first chapters, just the last 5 stories

Edwina Callan says

The first half of this book tells the legend of Cuchulain, the Hound of Culain.

The second half tells of banshees, leprechauns, wizards ... even the headless horseman puts in an appearance. Best taken in small doses at bedtime.

Shalini Nair says

Irish myths and legends in particular about Cuchulain the Irish hero. The book follows a loose chronological order tracing myths and legends from the beginning of Ireland to the present day.

Kylie says

I may have to turn my attention to the Irish legends now. These stories are quite interesting - the strife and pain is something different from other cultures. There's a melancholy in the stories that's quite unique.

Stefanie says

one of my favorite repeat reads and filled with short stories summarizing core celtic myths. clear language and a fun narrative.

Rock says

I really enjoyed this.

~Rock

Paula Soper says

Gorgeously written. Well-researched. I'll use this text again when I teach an Irish myth class. (However, I'm

still confused about Scathach the vampire)

Gerard C Ryan says

It tells its stories and myths pretty well, but due to the writing style, it just seemed to be lacking lustre.
