So many things keep happening, I'm having a hard time remembering all the facts.

Woah. Did NOT see that coming (and in a good way!).

This series took a long time to gain momentum. I'm thinking these last few volumes are going to make the early slog worth it.

UH MAAAAAMA!

IN LETTURA:

Ma quanto è bello?! Che confusione!!! bisogna leggerlo piano piano per riuscire a venir fuori da tutte le complicate macchinazioni che ci sono dietro..niente è come sembra!  
mi ha talmente preso...che credo proprio di finirlo oggi..

In questo Volume...rivelazioni shock...e finalmente il senso degli extraterrestri...vado a finirlo di leggere...non ce la faccio!

FINITO:

Splendido!!! pazzesco!!! Ora si che ragioniamo!!!

In this issue we learn Strauss' underlying motives and resolve most of the mystery behind the death of his spouse. It's quite good, but I've seen this particular motivation done before and it loses something every time you see it repeated.

Readers who are encountering it here for the first time will probably be more impressed.

It's beginning to become very...unbelievable. Aliens, vampires, and the storyline is just going everywhere.
