tadaaaa ga nyangka kalo anak kos dodol bakal dikomikin lagi, nemu ngga sengaja di toko buku *maklum ngga ngikutin jadwal penerbitan buku...tanpa basa-basi langsung beli. Ceritanya ngga beda jauh sama yg vol.1, kekonyolan dan kelucuan anak kos tersaji begitu nikmat siap disantap. Saya jadi kepingin jadi anak kos, maklum anak rumahan. Vol. 3 manahhhh?

AKDD volume 1, jenis kertasnya tipis.
yang vol. 2 ini pake kertas yg lebih tebal.

artwork K. Jati tetap superb.
paling EPIC waktu menggambarkan adegan Dedew dan temannya, dikejar-kejar orang gila di Magelang.
saya sampai ngakak maksimum

I think that the comic world in Indonesia has its own style. And this one is the example. Just like Comic about Kambing Jantan, this comic has same type. Humor and comedy!!!

But I like it, so I think instead of trying to mimic other Japanese comic (manga), this kind of comic is working. Keep work on the comic, since I will follow this series :D
