Chuck and Woodchuck

Cece Bell

Chuck and Woodchuck Cece Bell

From award-winning talent Cece Bell, a sweetly offbeat story about two shy first-graders and the woodchuck who helps them become friends.

When Caroline's classmate Chuck brings Woodchuck to show-and-tell, Woodchuck is so funny that their teacher says he can come to school every day! Woodchuck is friendly to everyone, but he's especially sweet to Caroline. He gives her Chuck's hat when her ears get cold and Chuck's cupcake when she drops hers. But when Caroline forgets her lines during the class play, it's not Woodchuck who comes to the rescue. A perfect read-aloud for facilitating friendships, this charming story recognizes that sometimes, making a connection takes time — but is worth the wait.

Heidi says

I liked this sweet story about friendship. About a shy boy who wants to be friends, but doesn't have the courage to speak up.

Niki (Daydream Reader) says

Sweet story about friendship!

Pam says

A sweet story about learning to be friends with a member of the opposite sex - with a little help from a friend.

Becky says

A sweet story about a woodchuck helping two first graders become friends.

Kateri says

Chuck and Woodchuck is a great book about helping others and making new friends. I thought it was sweet and would recommend it to teachers and parents. Woodchuck was able to help out his friend Chuck gain more friends by introducing him to Caroline. Sharing with Caroline showed her how nice Chuck was to her and it made her realize what a great friend Chuck is.

Mary says

A sweet but implausible story. A boy brings a woodchuck for show and tell at the beginning of first grade. The woodchuck is the go-between for a budding friendship between the shy boy and the narrator.

Evan says

Caroline's classmate Chuck brings a woodchuck to show and tell and the class loves him so much that it is decided that he should come to school every day. Soon, Woodchuck helps shy Caroline and Chuck become friends.

Am I the only person who thinks it's weird that he brought a woodchuck to school?

Kid Lit Reviews says

Chuck and Woodchuck is a sweet story of friendship . Chuck likes Caroline, but like many kids his age, Chuck is embarrassed, a little afraid, and totally unsure of himself. Step in Woodchuck. Woodchuck understands how his friend Chuck feels and tries to help. Woodchuck comes to Caroline's rescue, using Chuck's things so she will need to return them to Chuck. But Chuck is still too unsure and embarrassed to accept his things back, or to even speak. Yet, looking closely at the illustrations, Chuck seems to voluntarily give Woodchuck his hat, cupcake, and painting. With each item, Chuck gains a little confidence.

Jasmine says

This story couldn't be any cuter!

Woodchuck belongs to Chuck, and after Chuck brings Woodchuck to class for show and tell. Everyone loves him so much, that the teacher decides he can come to class EVERY day. While Woodchuck is great to everyone, he is especially fond of classmate Caroline....or is it Woodchuck?

Very sweet ending!! *Insert swirls of hearts and googly eyes here.

Jana says

This is a really cute picture book that tells the story of two shy first graders who get some help building their friendship from a precocious woodchuck. When Chuck brings Woodchuck to Show-and-Tell, he is such a big hit that he's invited to come every day. His kind acts toward Caroline on behalf of Chuck bring these two together and might even inspire more kind acts among the young readers who enjoy this story.

Kate says

Friendship or first love?

Wingman or pet?

Lynn says

Friendships can develop in many ways, and this could be a way to initiate conversation about how to treat others.

Cartoonish full color illustrations support the text, but don't inspire me to take a closer or longer look.

Juliana Lee says

Super sweet story about Chuck and Caroline, and Woodchuck. Chuck is very shy and doesn't know what to say to Caroline. But whenever Caroline is sad or cold or needed help, Woodchuck was there to help her out. Caroline tried to thank Chuck but he wouldn't hear of it. Finally, Chuck finds the courage to help Caroline out himself when she forgets her lines on stage. From then on, Chuck and Caroline are friends, and Woodchuck of course!

Brittany says

A woodchuck gets two kids together at school as friends. I guess even the most unlikely of things can start a friendship, even a woodchuck. He was quite the little match-maker and/or friendship-maker. I think I know of a few people (even adults) that could use a woodchuck in their lives. Ha!

Paula says

Woodchuck is the perfect wingman for his buddy Chuck, doing thoughtful good deeds for our narrator, Caroline, until Chuck can work up the nerve to speak to her. Sweet but not sugary, a great story for a shy kid or for anyone who loves one.
