Fortune and Fate E.M. Lindsey

Scarred and blind, Cole Price's life is turned upside down when he loses his career with the Royal Marines, and when the mother of his daughter insists he's too disfigured to ever be an effective father. When Cole is offered a chance to remain an active-duty Marine, working in secret in the States, he jumps at the chance to feel useful again. Little does he know that single decision will change his entire future.

Cole takes up training at Baum's Boxing, a gym for disabled veterans, and it's there he meets the intriguing Ryan Anderson, a man who is hell bent on paying penance for one, terrible mistake made in his youth. Though Cole knows having a relationship is not in the cards for him, he can't seem to stay away from the tortured lawyer, and he can't seem to protect his heart. When the past comes to call, putting Cole and everyone he cares about in danger, will he find the strength to do what's necessary to save them, or will he let his fears take control let everything around him burn?

Each book in Baum's Boxing series contains no cliffhangers and guaranteed HEA.

Sali Mes says

I like this one way better than #1.
Less drama, more action.
Loved both guys. The side characters are great too. No overbearing family.

Esther says

This review can be a bit spoilery!

I liked Ryan and Cole, but...
I knew who the bad guys were immediately and I prefer to have me guessing a little bit. Of course the creepy guy is not the bad guy! (Why did he have to be so creepy btw?)
It also did not make any sense that Claire and the bitchy ex came over to stay with Cole. Lead the bad guys right to his doorstep why don't you....
I immediately knew the guy with Rhys was Trevor and I can't wait for their story!

Christy Godfrey says

I am loving this series! I pretty much read this in one sitting, so happy to see Ryan forgive himself for his past. Can't wait for the next one!

Kristina says

Such a great series so good, can't wait for the next to be released.

Kirk says

I didn't read the first book in the series about Adrian and Noah but it didn't spoil this read. This is a new author to me and I went in with no expectations but thoroughly enjoyed the book. It's a grown-up, no fluff romance packed full of drama and suspense. Cole and Ryan were so good together and met each other at the right point in both their lives. There's a lot happening here, you'll be guessing who the bad guys are and willing on the MCs. I didn't want to put this down and so happy I saw this book mentioned on Facebook. Looking forward to reading the rest of this series.

Morgan says

3.5

Jennifer says

Fortune and Fate

Ok I enjoyed the story, but I got a bit confused about a certain coworker and how evil he seemed and how things were different at the end? Why be so unlikable? Anyway other than that confusion this was a good story.

Lucrecia says

Fortune and Fate (Baum's Boxing Book 2)

Another hit ? Yea...

Anyway, these ppl are amazing. Broken in all different kinds of ways but ultimately stronger for it. And

adorable, sweet, absolutely lovable. Hot AF is a plus ^^
I truly enjoyed the over the top plot going on here too. It was fun. Big time.
This series so far works for me.

I'll keep reading ?

Taylor Freeman says

2.5 stars. Was okay for me.
