Midnight Confessions Robyn Carr

Available on its own for the first time! #1 *New York Times* bestselling author of the Virgin River and Thunder Point series Robyn Carr Carr invites readers to ring in the New Year with a little romance.

In Virgin River, holiday kisses don't end with Christmas—there's still the inaugural New Year's Eve party at Jack's Bar to attend. Locals and newcomers alike find themselves eager for that special countdown...and that midnight kiss.

Drew Foley and Sunny Archer are each visiting Virgin River for the holidays. Sunny was dumped at the altar the previous New Year's Eve and is in no mood to celebrate. But her uncle and his fiancée drag her to Jack's Bar. Drew, getting over his own heartbreak, sees Sunny across the crowded room and he's instantly smitten.

As the townspeople gather, two lonely revelers decide the best balm for their broken hearts might just be each other.

Cute

Cute but too short. I guess not many places to go with story though. Looking forward to next book out of order since this Amazon didn't show then in correct order and i had to hunt for this and others. I like to read in order.

BJ says

This was a novella, part of this author's Virgin River series, which is probably my favorite series in this genre, ever! And probably the only story from this series that I hadn't yet read. It was typical of the series and a chance to re-visit old friends. This story involved 2 singles on New Year's Eve, both of whom have had romantic break-ups in the past year who may or may not be ready for someone new in their lives. They are about to learn that sometime you just don't get to choose if you're ready or not. Enjoyable!

Auri90 says

Nach genau einem Jahr ist der Schmerz noch sehr groß - es ist Silvesterabend und genau vor einem Jahr wurde die 25-Jährige Sunny vor dem Traualtar stehen gelassen - der Bräutigam ist nicht aufgetaucht...wie konnte ihr das nur passieren? Mit der Männerwelt hat Sunny seitdem abgeschlossen. Und um den Silvestertrubel zu entgehen, der für sie nur Schmerz bedeutet flüchtet sie zu ihrem Onkel Nate nach Virgin River. Er und seine Verlobte Annie schleppen sie allerdings mut zu einer Party in der Kneipe im Dorf. Auch Drew, der junge Assistenzarzt gönnt sich eine Lernpause in der Hütte seiner Schwester in Virgin River und macht sich auf den Weg in die Kneipe, von Sunny ist er sofort verzaubert. Auch er hatte kürzlich eine schmerzliche Trennung hinter sich..... Können die beiden ihren Schmerz empfinden? Eine gefühlvolle Achterbahnfahrt beginnt.

Wow, also mich hat die Geschichte wirklich überzeugt. Schöner Schreibstil, tolle Atmosphäre, autentische Protagonisten und eine spannende Handlung. Von Robyn Carr möchte ich nun einiges mehr lesen und mich in die Welt von Virgin River ziehen lassen :) Ich bin sehr gespannt was mich noch erwartet.

Robyn Carr: Happy New Year in Virgin River. E-book. 92 S. Mira Taschenbuch. 1,99€. Kindle. 2012.

(Breathe in. Breathe out. Try to calm yourself.)

Alright, I needed that—really badly. This book and its main couple had their past so similar they could almost pass as freaking Siamese twins.

Why was it so important to mention Drew's never-seen fiancée in previous book if the author was

determined to split them up in the next book (or novella, in this case) anyway? I would gladly ignore that fact if it were not for the jilted heroine. And sadly, it wasn't the first time something like this happened. It's really getting on my nerves. Hell, is it so hard to come up with two different backstories for couples (or just different ones, period)? I'm sure they could've had some other common ground—like hobbies and whatnot. (*The calmness didn't last long...*)

Becky Samaniego says

Good Reading

This novel was in line with what we expect from Ms Carr for her Virgin River series. I gave it only four stars because this read as an after thought to me. It was not a critical novel to complete the series. These characters didn't appear much throughout the series, thus, having their own book was unnecessary. Having said that, I will continue to faithfully read her books.

Dre McDermott says

A quick novella. I like how this one all occurs on one night but provides flash backs to fill in the gaps. A different format was a nice mix!

3,4 von 5 Sternen

Ich mag ja die altbackene etwas zu perfekte Welt von Virgin River sehr.

In diesem Band wird es mit der Redseligkeit und Nettigkeit des männlichen Charakters aber doch ziemlich übertrieben. Man soll ja niemals nie sagen, aber ich kann mir einfach null vorstellen, dass ein Mann so viel über seine Gefühle spricht wie Drew es hier getan hat und das mit einer Frau die er gerade erst vor ein paar Stunden kennen gelernt hat.

Ich habe schon lange keinen Band mehr aus der Reihe gelesen, aber ich kann mich erinnern, dass ich schon einmal bei einer Kurzgeschichte der Reihe das Gefühl hatte es läuft nicht alles so rund, sondern der Erzählstil wirkt holperig und wiederholend. Das war hier leider auch so.

Trotzdem habe ich es wieder sehr genossen zurück in Virgin River zu sein. Ich habe mich gleich wieder so richtig wohl und geborgen gefühlt und bin jetzt wieder mega motiviert die Reihe weiter zu lesen.

Sandie Scott says

Back to Virgin River!

I was so sad to see the Virgin River series end so what a delight to go back there, if only for a while. Two people who have experienced a broken relationship meet at Jack's bar on New Year's Eve; one who has learned to move on and one who hasn't. Drew, tired of studying, goes to Jack's bar for a holiday drink and sees a beautiful, sad looking woman who's trying to hide in a corner, hoping no one comes to talk to her.

Sunny has learned to keep a wall around her and not invite anyone in, especially men. But Drew is not one to let that bother him until she completely shuts him down. She realizes that she has been rude to him and others so she makes the attempt to come out of her year long melancholy and take a chance on letting the past go. Robyn Carr's characters are very real and relatable. It was so wonderful for me to go back to the Virgin River community and remember what was so special about that place!

Lorna Corcoran says

Another beautiful short but sweet Christmas romance story about overcoming heartbreak and rejection and learning to love and trust again.

Deborah says

A quick enjoyable romantic read. A photographer and a resident meet in Jack's bar. Both have been jilted and slowly recovering. The author addresses the typical issue; will they overcome their angst of a failed relationship to allow a new one to flourish?

Marge says

Read as a part of the paperback book, "Tis the Season."

Sarah says

Short'n'sweet, but not much depth of storyline/characters.

Sandra Patiño says

De esta serie lo que menos me gusta son las historias cortas, ya voy con la que sigue.

Tessy says

Learning to Move On

Moving on when you feel so broken can be one of the hardest things a person can do. We have to learn from our mistakes and accept that we can be better people and move on to a better life. We learn to realize that sometimes things aren't meant to be. This is the theme throughout Robyn Carr's novella *Midnight Confessions*.

Plot

Sunny and Drew have both been through pretty rough breakups in the past year. Both intended on spending the rest of their lives with their partners and have been spending the past few months trying to figure out exactly where things went wrong. When they meet at the New Year's Eve party in small town Virgin River, it seems like they would be a good fit. However, when Drew approaches Sunny, it's clear that she's not quite ready to move on from the man who left her at the altar exactly a year ago. Drew doesn't give up so easily though. Smitten by Sunny, he works to get her to open up and try to take on a new outlook as the midnight hour approaches. A new life for a new year.

Characters

Sunny and Drew are so rounded and down to earth in this story. They have no problem admitting that they are flawed, but know that they each have something to offer in a relationship. On top of that, they are both so driven by their passions and are respectful of each other. They make the sweetest pair as they discover more about each other throughout the story. Neither sees the other as perfect, but also know that that isn't important because nobody is.

Reviewer's Thoughts

This was a great New Year's story. You could really feel the atmosphere of the approaching new year. Resolutions were being made, laughter and reminiscing was occurring, and it was just overall a very joyful story. The story only spans a single night, but it had a great pace. The story unfolded with flashbacks that propelled the story forwards. As the two main characters confessed their issues with the past year to each other, they both began discovering things they'd never seen before. It was so great how supportive they were of each other throughout this time.

I only have one qualm about this story – and it occurred within the last couple of chapters. I felt like Sunny's self revelations unfolded way too suddenly. One minute she was of one opinion about her wedding day and the next she was saying the exact opposite. It was just way too sudden with no real backing to the realization. Other than this though, I felt this was an amazing story. The characters weren't confessing their love for each other by the end of the night, but they were open to trying something new and seeing where the new year took them. It was sweet and ended beautifully. I recommend this story for anyone looking for a quick, sweet, well-written holiday romance. In the end, I give this story 4 out of 5 stars.
