Angie says

I'm still debating how much of this is "non-fiction" but it was still pretty entertaining. Don't really have to read ALL of them... unless you want to.

Sandeep says

Amazing sexual encounters but still many of them looks fictional/dramatic, out and out entertaining.

Lois Davis says

All I can say is wow! Some of these confessions are very erotic others are okay, but very good book.

Cassie says

Good book. Some stories I don't quite believe but some are very good! Very erotic and entertaining!! Good book to dip in and out off due to all the very short stories.
