A Haunt of Murder Paul Doherty

As night sets in, Chaucer's weary pilgrims find themselves in a Kent copse, rumored to be haunted. Huddling around the fire, they persuade the Clerk of Oxford to tell a ghostly tale of love and death that will further chill their blood...

Leslie Conner says

Great story, moved quickly Well written mystery story with lots of twists and turns. Medieval tale rich with description, haunted with every manner of ghosts.

Janet says

There's always a hint of the supernatural (in whatever shape) in these books, but it's never been such an integral plot point until this entry. We not only get a regular "whodunit" murder in this story, but there's also a good amount of "what happens after death" philosophy that put me somewhat in mind of John Bunyan's Pilgrim's Progress.

Christopher Taylor says

This is the second of the "Canterbury Tales" mysteries of PC Doherty that I've read. Like the first, it is more of a fantasy than a historical tale, with supernatural elements even more strongly present in *Midnight Man*. The story weaves a treasure hunt, the peasant's Revolt, and May Day celebration with religion, ghosts, and murder.

Again, Doherty managed to surprise me with the identity of the perpetrators, but the mystery takes back stage to a morality play involving ghosts and demons and angels, a supernatural battle behind the scenes told with appropriately spooky descriptions.

A fair story, but this series seems Doherty's weakest of all the different ones I've read.

Georgia Lengyel says

Quite different from the other tales of the Pilgrims traveling to Canterbury.

Debby Kean says

Probably one of the best books I have ever read! The first time I ever read this author, who is consistently good - and extremely knowledgeable.

Hristina Ivanova says

Another short, but very well written novel. Doherty has been declared king of the medieval thriller rightfully.

Susan Moore says

It's okay. A very hard to read book.

Will says

He's breaking the rules! He's breaking the rules! You can't do a whodunit and a ghost story at the same time!

Gaby says

A really good read

Tarmia says

3.5

Short but captivating. The story continues to weave the lives of the pilgrims together and I cannot wait to reach a conclusion in the next and last book! Another great job by the King of historical murder-mystery's.

Bryan says

The last in the series so far. He needs to hurry and write the next one. It's been 10 years since this one came out.

james irvine Bell says

Too much

Keep to the story line and less ritual from your church. It adds nothing to the tale to use the words or practices as you have done in this story.

Haunting

I love these Canterbury tales, and am grateful for Paul Doherty for writing them,a wonderful writer ,a gifted one too.

Laura says

Pretty good.
