Peter robinson says

good

Abbie says

Basically, the focus of the second instalment is on the romance. I liked the music in the movie version of this though.

Babygirl says

hsm is about a group of is friends and they don't like sharpay because she allways trying to take troy. the to main chartears are troy and gabrellia and they don't like troy because they don't wont troy to hang around with sharpay and troy's trying to tell the group the real problem because chad dosen't like troy any more because troy quit the baksetball. his dad dosen't care for his old team. now that troy has a new basketball team his old team dosen't play for him any more. that's why the team dosen't like to do team work!!!! other being with try gabrellia dosen't like to talk to him because he spends alot with sharpay! but the reason he is spending time with her is sharpay dosen't like gaberllia and gabrellia knows ehat is going own with troy and sharpay she dosen't wont to tell troy because she dosen't like sharpay going up to her and she just hang out with chad zeek and talyor because she dosen,t like to disderperb jer personall tine with tryo thats the reason i like this book because it is foul with douma!!! this is all the chareters names there are 40 charters this are there name troy gabrellia sharpay ryan chad martha kelsile zeek talyor miss.dorbus mr.boltin .that is all io know but win i come back to this websit i will tell you the reast of the chearters.this is the reset ofthem i like this book so much that i real write alot about thie story and i will till you more the next time and i love this book i real tell alot about this book and i real love to write more !!!!!!!!!!

The protagonist is Troy,Gaberilla,Ryan,Taylor.The antagonist is sharpay and

Tracey says

Ths book of cause is a big young for me but I read this with my daughter as she has literacy problems. It's a great book for children. It's very well written and easy to understand. My daughter and I both enjoyed reading it together. My daughter would rate it 10 star but she doe's love HMS. It's about a group of close friends who are freshmens who all love music. Their is alot of emotions in this book and lots going on. It's a pretty much close to what happens in middle school these day's with friends. If you watched the movie or didn't watch the movie I reccommend you read ths book.

Natalie Hennessy says

Every spoken line I read in their voices which just added to the awesomeness... Senior year here I come!

Mimi Z says

Am citit-o in urma cu cativa ani si mi-a placut. Mi-a placut si filmul de asemenea.

"High School Musical - High School Musical 2: Guy's Edition"

Published by Hal Leonard

CD Included - Yes (1)

Pages - 36

Pro Vocal Male Edition: Volume 28 (These books are sheet music - not story books)

This is not the same edition as the songbook in the listing, but it is closer to this edition than the others listed on Goodreads.

This guide contains songs from both High School Musicals including "Bet On It", "Everyday", "Work This Out" and five more.

The print is nice and large and easy for even younger singers to follow. I tried to get my brother to sing one of the songs, but since he insisted on singing in operatic fashion, I didn't really get the idea of what the respective song would sound like if performed properly.

I would recommend this guide to choral instructors, including those with younger singers.

Ramita says

wow!!!

Nerdie says

I guess I just wanted to rate this as the book itself, and not a constant reminder of the movie and how long it lasts for.

I think y'all should better just watch the movie if you're looking for quality. This book is basically a small run down of the whole movie plot. I mean, what's the point? I wasn't satisfied what-so-ever by reading this book, and the first time I did so was when I was 9 or 10.

Don't even buy this book. Just watch the movie! Most books based on movies aren't even worth buying. There's no use of getting the book if you already know what's going to happen in the movie. That's one of the main reasons why I gave up trying to read the Twilight series in the first place. Every time I flicked through another page, the characters in the movie would always pop up in my mind. I actually think the first book is better than the movies altogether.

Anyway, do yourself a favour and don't get this book for your kid or yourself! Buy a REAL book with a REAL plot with DIFFERENT characters.

Shrek says

ok just saying without the songs this goes way down hill. also the added scenes are NOT cannon excuse me

Lauren says

Okay I know that you must be thinking that I'm a little old for HSM, but try telling that to the person who keeps buying me the books! I decided that I would just have to read them and I actually thought that they were ok!

HSM2 that I am reviewing now was a great carry on from the first HSM and it was a very happy and uplifting story where the worst thing that happens is they have to work together! I think that it is written nice and clearly and it is great for younger children who like HSM and reading as the storyline is not complex.

Hila Pollak says

High school musical its my favorite book in the world/
I read the book because I saw the movie when I was little and it was my favorite movie.
I loved the most the end because the last part when it was the show after they didn't could participate but at the end they did participate and troy sang the song with Gabriella and not with Sharpay,
I didn't like Mr. Fulton because he did what Sharpay make hem did and it hurted all the wildcats and mostly Gabriela so the broke up but at the end they maDe up.
I recommend to everyone to read it. I loved the book so much!!!

Nur says

It didnt teach me anything BUT its a GOOD book (movie)!

Mayu Onda says

-The Book Of the Film(Based on the hit Disney Channel Original Movie)

-Time 10/7 = 60minutes, 8= 30minutes 9= 50minutes

-7words summary: Summer - work - love - teammate - university - change - show

-Discussion question

1.what's your special memory in this summer.

My special memory is going to Boston in this summer.I really enjoyed homestaying, studying and sightseeing.

2.Which is the most important for you,friends, a sweetheart or a dream?

I cannot choose one! All things are very important for me!

I really enjoyed this book which Koki Umemoto game me on my B-DAy.

I also like this Movie, I have watched it sometimes.

I envy their great summer and want to come back my SUMMER!!!
