I enjoyed this story, although I had forgotten all about it, but after finishing A Soldier's Christmas (which features Bree's sister Emma) I came across this story on my kindle and decided to read it again and I'm glad I did. The story itself was enjoyable, the characters very likable and it had some pretty hot moments and a couple of sad moments too, but overall a great story and definitely worth a read.

Kissing Under The Mistletoe by Lexi Buchanan is such a fun read. It starts with unrequited love, adds a bit of mystery and leaves with an HEA that you will never forget. This book combines strong personalities with HOT love scenes. A terrific read!

This book was so fun to read. It is a great Christmas read. The characters Gabe and Bree were so much fun to read because it was the banter between the two. The story was light and happy.

I enjoyed this book and it showed that no matter how much time passes if it is a true love then it will be there and come around in the end. I would read this book again. Thank you Lexi for a light hearted read for Christmas. I do hope to see a book with Emma and Seth.

Nikki Barrett says

Ahh, it's Christmas and there's always time to come home. Bree has been gone for a few years, and one of the many things she's looking forward to at home is seeing Gabe. She grew up with him, but her feelings are very strong, though she can't do anything about them.

But something is changing this time. Ahh yes, true love is going to be found. Feelings will be explored and

secrets will be revealed.

Kissing Under The Mistletoe is a fun, sexy story about two people who finally give into their desires despite the obstacles around them. It was fun to watch Bree and Gabe figure things out and give into what they've wanted for so long. And hey, it's set during the holiday season! Another score!

Great book that I read within a few hours. Enjoyed it!

Review of Kissing Under the Mistletoe by Lexi Buchanan

Review done for Hooked on Books

4 out of 5 stars

Bree has been in love with the boy her parents had taken into their family when his parents died, for as long as she can remember. They have always been close like brother and sister, but Bree has always felt something stronger for Gabe.

Gabe will be eternally grateful that Bree's family had taken him in when he lost his family. He would do anything for them, and if that means that he won't act on his feelings towards Bree so it doesn't make anyone uncomfortable, then that's what he will do.

Everyone around Bree and Gabe can see they are in love with each other; it is just going to take some convincing to make them see it as well.

Finally when they have revealed their feelings and are ready for forever, a huge secret jeopardizes everything. This secret not only affects them, but everyone in Bree's family.

This was a great story. I was not expecting the twist that the author had thrown in. I liked this forbidden love story because it didn't come across as creepy. Yes it was odd for them to be together because they grew up in the same house, but they are not blood related. Gabe and Bree are a great couple.

I would recommend this book to read!

Kissing Under the Mistletoe

by Lexi Buchanan

When Gabe's parents died Bree's parents took him in and brought him up as one of their own. Bree is in love

with him and left her hometown to get away from him because she thinks they can never be together. She is now returning for the holidays after 2 years of being away..

I loved the closeness of this family and the chemistry they all had really worked well together. There are some great characters involved this story and I would like to read more about them in separate books. (hopefully in the near future) I especially enjoyed Gabe's character, what is there not to love?? he is hot and sexy and caused me to swoon on a few occasions. I also really like Bree very much she is a great character to read about not like some annoying females I have read about in the past. I found they had great chemistry together and not to mention hot sex!

Now on the subject of hot sex... There is quite a lot of smoking hot sex in this story and by the time you reach the end you will need a cold shower to cool off.

There is a little twist thrown in there that I did not see coming but that just added depth to the storyline.

A well written feel good romance that had me feeling good and in the mood for Christmas.

I do love a good Christmas story and every year come December I open my Christmas folder on my kindle. This was my first choice this year.

The story itself was one of forbidden love from an outsiders point of view, though Bree and Gabe are not actually related, they have been brought up together like brother and sister.

Bree's feelings for not wanting to return home for Christmas were understandable but I did find her character a little...childish. I did also tut at Gabe's behaviour at first but did grow warm towards him!

I was itching for them to finally get it on as the tension between them was unbearable but I felt that when they did it was all a bit too much too soon - like all they ever did was get it on when I found it didn't react with the situation. The sex scenes were hot though!

I was glad they finally got their HEA but I would have liked just a little less sexual content and more romance, but nonetheless, a lovely Christmassy story to get you in the mood. 3.5*.

Pretty good. Not so Christmas-y, except for kissing under the mistletoe. Quite sexy.

Another sexy as hell story from Lexi Buchanan. Gabe and Bree have secretly loved each other from afar most of their lives but both have had enough of waiting and of being jealous when they are around others. The author wrote a amazing story of long lost loves who are just beginning their lives together. So sexy and sweet Gabe and Bree are, I couldn't put this book down once I started reading it, although its quit short it packs a sexy as hell punch, love the characters and the mood of the story how the whole family gets into the holidays and support Gabe and Bree. Very Romantic and Sweet...4.5 stars review by upallnightreadallday.blogspot.com
