The Twelve

Take a closer look at the disciples of Jesus, and you'll see a group of men who didn't always get it, who wanted to promote their own interests, who couldn't get on with each other - and who ran away when things got dangerous. So why did Jesus pick them?

Well, perhaps God can only work with flawed humanity because that is the only kind there is. In this issue, Jeff takes a look at Jesus' original team, and shows us how God can do great things with the most unlikely material.

Life Every Day is written by Jeff Lucas to help you apply the Bible to your life every day. Through laughter, tears and his customary wit and wisdom, Jeff will help you to gain insight, understanding and practical application from God's Word.
