Mobster's Angel

Amy Rachiele

Mobster's Angel Amy Rachiele

Vito and Erin's story.

Coming December 2013.

Vito has grown up in the underworld of the mob. He has recently reached age eighteen. His family has been involved since the thirties. In 2014, the rules haven't changed much. What worked then, works now; power, violence, and loyalty.

Love isn't something you can control. As much as Vito, mobster enforcer, wish he could, he can't. And falling in love with someone who is close to jailbait age is even tougher. Vito bides his time and waits. For a hasty guy with limited self-control, it's difficult to curb his impulses.

At age fifteen, Erin just wants to forget. Erin's world came crashing down when she learned her family was not what they seemed. She's been living in a lie. No one told her her family was mob. The cliché ignorance is bliss becomes a sharp stabbing realization when she has to learn to cope with the aftermath.

Being smart doesn't save you from terror and doesn't teach you how to live with it. You can't escape the mob. It's part of your existence!

"Sometimes I hear him whispering in my ear as if my conscience has grown and matured into a six foot three dark haired male. The studying, reading, and listening I did to impress adults are nothing compared to what I learned from Vito."

~ Erin

****Book 4 in Mobster Series or it can stand alone. It is told in alternate perspective between Vito and Erin.**

Vanessa says

Can I just say...I love Vito? I may even love him more than Antonio! This book was everything I expected and wanted it to be. Erin turned out to be this strong, independent girl who didn't take crap from anyone, which is a stark change from the previous books. Loved it!

Skye Burling-Briggs says

I CAN NOT WAIT FOR THIS ONE!!! ;)

Mare SLiTsReaD Reviews says

ARC provided to Slitsread for an honest review

If you know me, you know that my teenage dream was to be a Mafia man's mistress. We can blame my love of all things Mafia on Jackie Collins. She warped my world at the age of 13 and honestly I have never ever looked back. There is something so surreal about Organized Crime. They are lethal, will shoot you down without blinking, beat you, make you swim with the fishes. **BUT** they also are family, look out for 1 another, love everyone in their family and look out for 1 another through it all. You will find all of this in Amy Rachiele's mobster series.

VITO is my **DREAM MAN! I HEART HIM BIG TIME!** Throughout the Mobster's series (Book 1-3) Vito was always my main man. Yes Antonio is HOT, yes he is the Boss, but **VITO!** He makes me swoon

Yes, he is an asshole, but **DEAR LORD**, he **LOVES WITH HIS WHOLE BEING!**

Mobster's Angel is book 4 in the Mobster's series and it follows Erin and Vito.

Erin

She's Irish

She's petite

She's Megan's little sister

She's faced trauma and came out of it somewhat ok

She's 16

She's a vixen

Vito

He's Hot

He's Italian

He's a *Cleaner*

He's an **enforcer**

I give this book 5 stars however **I TOTALLY WISH** the book was longer.

I HEART VITO!!!!!!!

BACK TO 4 STARS

VITO AND ERIN WERE WONDERFUL!

O.K. Vito was occasionally a dumbass, but let's be honest here, he never really was the sharpest tool in the shed.

In all the ways that count, Vito was:

Deborah says

I was a little worried about this book because Erin has been the weak link for me in the previous ones and while I really liked Vito I wasn't sure that timid little Erin was the best match for him.

Erin grows up a bit in this book and while she's certainly not as annoying as she previously was she's found another way to annoy me, she now keeps things to herself when she shouldn't and this is something I personally can't stand.

Now if she'd spoken up when she should all the drama could have been avoided and you're probably thinking this would have made a very boring book, not necessarily because there's always another way but this was just too much and too many times and for what? Why would she keep all this to herself?

Apart from this and yes I know 'this' is a major part of the book but apart from this I enjoyed it Erin has grown in strength and confidence, Vito is Vito, what's not to like and we also get the other characters we've come to love and the humour they bring with them.

Saskia 'follow my shoes' Smith says

I enjoyed the book, its a well written 'Mob' book! with a nice plot. I would like to see a follow on book about Vito and Erin. It was well paced and the relationship progression felt very natural. At times some of the chapters seemed fast paced, but when your enjoying a good story, that doesn't really matter. It is well written though I did have to google some of the terms used, as some of the terms were not words id heard of used in the UK, which meant having to re read some of the story lines again to under stand what the character was saying! there were some typing errors too. for that reason I gave this book,! 4 stars.

Nicky says

Erin and Vito's story was great! I loved that she felt the same way he did. She knew what she wanted and was very determine not to be a victim any more. I hated that she had to be hurt to understood that there are people out there who would always stand up for her and protect her. Erin and Vito are perfect together and it's good that she was not all that innocent as her sister or she wouldn,t be a perfect match for him. Great ending to a perfect story. Thumbs up Amy Rachiele it was worth the money and the wait.

Amy Rachiele says

Shooting for release on December 15, 2013.

Anja Kahlert says

I WANT MORE VITO!!! :)

Amy, please give me more Vito and Erin! I need Mobster Series 5 ... more Vito Rossi!!!

He is such a great, beautiful an totally hot man and i need to read more about him.

The BookWhisperer says

Who would have thought??? Vito has spent the past books being a bit of a pain the ass. Even with the developments between Vito and Erin I didn't really know what to make of him. Mobster's Angel changes his entire character. I love him!!!! The brute of a man literally transforms before our eyes into someone almost unrecognizable. His future in the mob family couldn't have been more fitting, and I look forward to seeing his future unfold. Erin has been the weak link. Always the one needing rescued; she truly throws us all for a loop in this book as well. It is amazing seeing her character transform as well. I almost think that she is grasping her new life far easier than her own sister did. Vito and Erin fit perfectly. This book is not entirely wrapping everything up so nicely. Vito and Erin have grown together in this book, but they are still quite separate characters. I do not feel the union quite as great in this book as I did with Antonio and Megan. I am hoping that this is only the first book, and we see more of a relationship develop for the two. A great addition for the Mobster's series that I love so much.

review to follow (^0^)

Aimie says

It's December, can we have it yet?

Thank you Amy for letting me know when this fabulous book went live..

Mobster's Angel gave me everything I wanted, it was just as fantastic as I expected. The minute I started reading, I was once again immersed into the Mafia world. It was like I had only finished the rest of the series yesterday.

I just adore Vito, he may be irritable and unapproachable but boy can he be sweet, caring and gentle. Extremely swoon worthy. Erin has grown so much since the last book, I was proud of the young woman she has grown into.

I love Amy for adding the Italian to English translations, I can now swear in Italian. :)

This was a brilliant addition to the series. I am hoping we get more from this world in the future.

?MichelleNicole? says

Vito and Erin. ..wow loved this story
wish I new what she ended up doing about her hair. ..lol

Jenn says

3 Mafia-Death-Glare Stars

What I Liked

1. Fast paced story.
2. Quick read.
3. Dual POVs
4. Erin matured and voiced her thoughts more compared to the beginning of the series.
5. Mafia-death-glare
6. Air quotes about "mob business".
7. Oompa Loompa comment.
8. Birthday party closet scene.
9. Vito was a lot better in this story. He changed a lot over the course of this series.
10. Friends: Ronnie and Ty.
11. Made me laugh every time the story mentioned how Kirk was scared of Ronnie and Vito.
12. Patrick giving Vito and Erin choices... Unlike Megan and Tonio in book 1.
13. Vito was really good with and to Erin.
14. Joey.
15. No high school drama. Drama happened because of other things.
16. You forget that Ronnie, Vito and Joey are only 17 & 18 year olds.

What bothered me:

1. The prologue should have been chopped out. It didn't fit with the information we gathered from the previous books therefore, there were inconsistencies.
2. Erin keeping important events or information to herself when she needed to tell others.
3. Vito wasn't bright for a mob guy when he thinks someone's following him.
4. I didn't think the major drama for Erin was enough for her to flip out and take off on Vito.
5. No one notices, but Erin, what a creepy guy Brice was. Joey of all people should have picked up on that.

6. The story needed a little more editing time. Nothing major but some things were noticeable.

Jojo Bungenaar says

OMG OMG what can I say. I knew this book would be good before I read it! But OMG it was amazing. I sooooo love Vito and Erin's story!

Amy has done it again this story was so interesting you get a glimpse into the mafia lifestyle with a nice love story too!!

If you haven't read the series then you really need to u are missing out on some amazing stories and some hot characters!!! I so wanna give this book 10 stars but I'm not allowed so I have given it a well deserved 5 stars!

I also loved that we still got to see some of Tonio and Megan as I missed them when I finished their story!

PLEASE PLEASE BUMP THESE BOOKS UP TO THE TOP OF YOUR TBR LIST!!!
