Clark Kent (Superman), Bruce Wayne (Batman), and Diana Prince (Wonder Woman) are starting a new school year at Justice Prep. This semester, everyone is focusing on their science projects: Principal James Gordon announced that the winner of the upcoming science fair gets an all-inclusive trip to the new S.T.A.R. Laboratories space facility. Who wouldn't want to win a trip to outer space? All the kids want to try their best to win.

As the fair draws closer, the students receive a text message from a mysterious, untraceable number saying: "if you help me, I can help YOU win the science fair!" Just who is behind this mystery number, and what do they have to do with the science fair? It's up to Clark, Diana, and Bruce's Junior Detectives Club to find out! With appearances from fan favorites like Arthur Curry (Aquaman) and Lex Luthor, plus all-new characters including Black Manta and Professor Zoom, this hilarious newest chapter in the Secret Hero Society saga is not to be missed!
