SEAL's Expertise Claire Adams

I have one simple rule: no sexual contact.

Yeah, I'm a male escort, but that doesn't mean my body's for sale.

I provide companionship to women who can afford it and understand my rule. It's simple really. I need to be in control, not my body. Someone already screwed me once when I lost control, and not in the good way.

So, no sexual contact. Sure. I'll kiss them, and I'll even give them a little strip tease if they don't mind seeing the scars from my SEAL days, but nothing more.

Damn. At least that's the way it's supposed to be. The way it was. Until her. Until Serena.

The little socialite gets under my skin and is hot as sin. I was just supposed to be her arm candy for a few events, but I can't help it. I want more. I want her.

And I want to break my one simple rule.

Rosemary Hughes says

This book is a love story, concerning two previously traumatized people, who have met in the most unlikely situation and in learning to love again, through the process have grown in their own emotional stability both separately, as well as, together.

This book also referred to other situations, which seldom are brought to the discussion table.

When you think of the emotional trauma a person goes through when they have a break up with some one they have loved, it's a wonder anyone ever has another relationship again.

Plus, the PTSD of shock from untimely family deaths to war zone encounters, appears to be debilitating to the extreme, unless you have someone with understanding of what it is that you experience with a flashback episode, and can help you come back to the present, after such an assault on your senses.

I have reviewed this book voluntarily after reading an advanced copy.

This is an adorable story about Serena and Abel. He's an escort but does not have sex with his clients. That's about to change when he becomes Serena's escort for several fundraisers she has to attend. But when her ex decides to put an end to this fiasco Serena finds out just how dangerous her ex is. Abel even has a crazy client who is jealous of the relationship he has with Serena. What the ex client doesn't realize is Abel is closed for business. This was a beautiful book with a happy ending.

Great series of books.

I couldn't stop reading!! Ended up going to work late a couple times because of it! You won't be disappointed

Worth the wait!

I loved the characters in this book. They found each other in an unusual way , but it paid off, ?
The truth is that everyone has issues of some sort, but I loved that she addresses a big problem in today's world. War is ugly and changes a person, sometimes never recovers,
I thought she did a beautiful job on this topic, whether war, or a tragedy, we need people in our lives to ground us.
I recommend you to read this book.

SEAL's Expertise

Selena has lost her parents in a boating accident, plus she broke up with a jerk of a boyfriend as well. So when she has to go to a fundraiser in her parents name she's screwed. Everyone will be asking about her ex named Tyler. So when her best friend Caitlyn tells her to hire an escort she does. Abel has one rule as an escort No Sex!. So when Selena hires him to play her boyfriend he's all for it. With a bad experience in his past he has that rule for a reason. So no one will get hurt. Great read couldn't put down till finished. This book includes seven extra books. The first extra book is called Protector box set with Ava and Brian. The second extra book is called The Fight with Fenton and Kya. The third extra book is called Slammed Box set with Zack and Evie. The fourth extra book is called Billionaire's Contract with Dax and Payton. The fifth extra book is called Priest with Jace and Daphne. The sixth extra book is called Breathless box set with Johnny and Becky. The last extra book is called Addicted with Nate and Abby.

Vanessa says

How can you have a "real" relationship when you paying someone to spend time with you
This story was like binge watching a drama series with segments being a new drama occuring to this couple every week in between sex scenes

Esther Phelps says

Seals, plus

Great collection of intriguing tales to ping the heart and mind . Supporting each set of circumstances with hearts strong and minds determined.

This is a well written book about secrets and desires. It is a suspenseful romance that pulled me in from the first page and didn't let me go until the end. Claire Adams really knows how to write a great lovestory.

It is a standalone book with no cliffhangers. I voluntarily read an ARC of this book.
